## Construction Coalition for a Drug- and Alcohol-Free Workplace

The Construction Coalition for a Drug- and Alcohol-Free Workplace (CCDAFW) was created with the purpose of providing companies and organizations with the resources necessary to successfully implement an effective substance abuse policy. The coalition consists of various construction trade associations whose common goal is to eliminate the injuries and fatalities that occur because of substance abuse-related incidents. The CCDAFW's mission is to establish industry-wide recognition, and advocate the implementation of a strong substance abuse policy, as well as provide industry best practices to help achieve the goal of zero substance abuse-related incidences on the jobsite. **All ABC National Alliance Members must sign and abide by the CCDAFW pledge at [www.drugfreeconstruction.org](http://www.drugfreeconstruction.org).**

Join your fellow industry leaders in pledging your support to work towards eliminating substance abuse-related incidents on construction jobsites.

## Safety Data

Please include a copy of your most recent full-year OSHA Form 300A with your membership application or complete the form online at [www.abc.org/osha300asurvey](http://www.abc.org/osha300asurvey).

## Free Enterprise Alliance

The Free Enterprise Alliance is leading the campaign to halt the assault on America's free enterprise system. The Free Enterprise Alliance is the action arm for small businesses, entrepreneurs and other advocates of limited government, open and fair competition and the economically sound principles upon which America was built.

## Trimmer Education Foundation

The Trimmer Construction Education Foundation (TCEF) is the premier resource for construction education funding, aggressively promoting merit shop education in the United States and providing a climate in which the industry has access to a trained, skilled, safe, and sustainable workforce. Guided by our vision, mission, and values TCEF will allocate resources to drive sustainable long term growth and competitive advantage, by focusing on awareness, capacity, and opportunity. TCEF's goal is to attract, train, and retain talent through educating the public about the varied opportunities a career in the construction industry has to offer.
