With more than 21,000 members, ABC is the preeminent trade association in the United States for commercial and industrial construction. ABC’s national events are the best places to connect with the contractors, business owners, apprentices, college students, young professionals and chapter staff who make up our network of 69 chapters and 21,000+ member companies. Each of these events targets a different segment of the construction industry, making the 2020 schedule of meetings a can’t-miss opportunity to market your products and services to our members. These are the opportunities that will connect you with ABC members and chapters in 2020.

abcconvention.abc.org
Support the next generation of skilled craft professionals as a sponsor of the National Craft Championships, the nation's premier competition for craft trainees and apprentices. The NCC is held annually to highlight the achievements of the men and women who represent the future of the construction industry. Competitors and their education sponsors travel from across the country, making the event a must-attend for companies with an eye to the future of the industry.

Find your future talent as a sponsor of the Construction Management Competition, a national competition for college students enrolled in construction management programs at the leading colleges and universities that form the ABC National Student Chapter Network. Sponsoring the CMC offers companies a chance to promotes careers in construction management and support the men and women who will be leading our industry for years to come.

Join us at the 30th Annual National Excellence in Construction® Awards, where the most outstanding construction projects and contractors are honored for their remarkable achievements in leadership, safety, innovation and diversity. Place your brand among the best of the best by sponsoring the EIC Awards ceremony, gala and reception.
Legislative Week is held each June in Washington, D.C., and attracts ABC members from across the country. The marquee event, Legislative Day, galvanizes ABC members to participate in the legislative process and make their voices heard with regulators and legislators. In addition, three targeted events during Legislative Week attract unique audiences of their own—the Diversity and Inclusion Summit drives conversations about the intersection of diversity and innovation, the Young Professionals Symposium engages the future leaders of ABC and the Legal Conference dissects the latest trends in labor law.

Sponsor ABC’s Leadership Institute and align your company with senior construction executives who are highly engaged at the national and chapter levels as volunteer leaders. Chapter presidents, incoming chairs and chairs-elect from ABC’s 69 chapters come to Leadership Institute for professional development and leadership training and to network and share best practices with members committed to advancing merit shop construction. Don’t miss this opportunity to raise your company’s profile and be positioned as a thought leader among ABC’s most influential leaders.
