### Program Benefits

Lower Total Cost of Ownership

3-4 Months OTD

Attract and Retain Talent

Companies with high turnover rates spend up to **16%** of an employee's annual salary to replace them, which can be significantly reduced with attractive perks. (Society for Human Resource Management [SHRM] - Cost of Turnover)

Offering a luxury vehicle as part of a compensation package can increase job acceptance rates by **15%** and employee retention by **22%**. (SHRM)

**68%** of employees report that company-provided perk such as company cars influence their decision to accept a job offer. (Glassdoor - Employer Branding & Candidate Experience)
