

# We're in the taking advantage of new tax benefits business.

Running a business comes down to your bottom line and now you can make yours even stronger. Under new tax depreciation laws, your business may be eligible to immediately deduct up to 100% of the purchase price of an unlimited number of qualifying Chevrolet, Buick, GMC, and Cadillac vehicles purchased in 2018 for business use.<sup>1</sup>

These new tax depreciation laws mean there's never been a better time to add the quality and dependability of General Motors Fleet vehicles to your fleet.

Additionally, qualifying association members may also be eligible for up to \$1,000 toward the purchase or lease of most new Chevrolet, Buick, and GMC vehicles.<sup>2</sup> For more information on Business Association Private Offers, please visit [gmfleet.com/BAO](http://gmfleet.com/BAO).
